REQUEST FOR CEMETERY PHOTO SERVICE

SSGHS photographers will take photographs that you request of grave markers located in our 20 townships of interest. Photos will include the outside of the cemetery, an overview of the section where the graves are located, and close-ups of individual markers as well as any surrounding markers that we think might be of interest to you. We will provide any cemetery information that we have at the SSGHS library.

The fee for this service is \$15.00/hour with a minimum of \$40.00. Costs may be higher due to circumstances such as extended driving time, difficulty locating grave sites, or if there are a large number of grave sites to be photographed, located in several different areas of the cemetery.
